Dear Mark Snyder,

On behalf of MAJAKK, Inc. and Dunn Bros Coffee in Anoka, I would like to thank you for your dedication on the completion of our new coffee shop. You paid close attention to details on our tight construction schedule and made sure all aspects of the job were completed on time. You always kept me informed and you were very fair when unexpected issues came up. Your high quality work and your excellent service gave us the results we expected. We truly appreciate your commitment on this project.

Sincerely,
