Re: Starlite Transit Center Pavement Repairs

Mr. Snyder,

I want to thank you and your colleagues for your efforts in getting the repairs done to the Starlite Transit Center. Your willingness to negotiate and then to carry out this task the way you did is most appreciated - by me and our Street Operations staff. Also, our customers benefit from having been displaced for a minimal amount of time, and that is good for everyone concerned.

I visited the site shortly after the job was completed and I was impressed with how good the site looked, including how well the clean up work was done.

Again, my sincerest thanks,
