Mr. Mark Snyder
Construction Results Corporation
14100 23rd Avenue North
Plymouth, MN 55447

Dear Mark,

It was a pleasure to recommend you and your company to organizations seeking fine quality work at a fair price.

My firm has worked with you on a number of projects since 1996. The total construction cost for these projects was approximately \$ 5.5 million. In every case, my associates and I have been impressed with your management expertise and skill in building client relationships.

You always work hard to complete projects on time and on budget. We appreciate having the opportunity to work with you because we know our clients are going to be pleased with the results. We look forward to working with you again.

Sincerely,

F. J. Sabongi, M.Arch., ASID, Associate AIA
Principal
