

ROLY POLY SANDWICHES

Roly Poly Sandwiches
731 2nd Street South
Waite Park, MN 56387

To whom it may concern,

Construction Results built our first Roly Poly store but I can assure you it will not be the last. Their bid was complete, on time and very competitive. The workmanship was high quality with attention to detail. Vern, the supervisor in charge did an outstanding job communicating with all of the subs and inspectors. Our store was completed on time and at the cost promised.

I've worked with numerous construction companies in opening up hundreds of stores for a major retailer the past 25 years but my experience with Mark and his team at Construction Results was the by far the best. I would highly recommend the use of Construction Results to complete any construction work. Please feel free to contact me at 612-702-3589 with any further questions or reference information.

Sincerely,
